*Ukrainians!*

Today is Forgiveness Sunday. A day when we always apologized. To each other. To all people. To God. But today, it seems, many have not mentioned this day at all. Have not mentioned the obligatory words: “Forgive me.” And the obligatory answer: “God forgives, and I forgive.” These words seem to have lost their meaning today. At least in part. After everything we went through.

We will not forgive the destroyed houses. We will not forgive the missile that our air defence shot down over Okhmatdyt today. And more than 500 other such missiles that hit our land. All over Ukraine. Hit our people and children.

We will not forgive the shooting of unarmed people. Destruction of our infrastructure.

We. Will. Not. Forgive. Hundreds and hundreds of victims. Thousands and thousands of sufferings. And God will not forgive. Not today. Not tomorrow. Never. And instead of Forgiveness, there will be a Day of Judgment.

I’m sure of it.
