

CALL FOR PAPERS

The 19th International Symposium on High Voltage Engineering (ISH 2015)

23–28 August 2015

Dear colleague,

On behalf of the International Scientific and Organizing Committee it is my honor and pleasure to invite you to attend the 19th International Symposium on High Voltage Engineering (ISH 2015), which will be hosted by the University of West Bohemia in Pilsen/ Czech Republic, from August 23 till August 28, 2015.

Let me kindly remind you that you are now allowed to submit abstract. The on-line system for the uploading of your abstract has been opened on the web site <https://www.conftool.pro/ish2015/>. The ConfTool System will be used for handling abstract/paper submission, the review process, and participant registration. For the uploading of your abstract, please create an account.

For more detailed instructions about abstract submission please visit <http://www.ish2015.org/submission.html> and open Abstract submission guidelines at <http://www.ish2015.org/download/abstract.pdf>.

Topics of interest include but are not limited to the following subjects of high voltage equipment and engineering:

- **Electromagnetic fields**
computation, measurements, environmental effects
- **Transient voltages**
lightning, switching, repetitive impulses, surge arrester, insulation coordination, overvoltage protection
- **High voltage and high current testing techniques**
test procedure, evaluation
- **Advanced materials and insulation systems**
outdoor, indoor, solid, liquid and gas insulated, nanodielectrics
- **Diagnostics and monitoring**
partial discharges, evaluation procedures, knowledge rules, data mining, applications and asset management
- **HVDC technologies and applications**
design problems, testing and measuring techniques

I would like to inform you about important deadlines of the ISH 2015 conference:

Submission Deadline:	November 30, 2014
Full Paper Submission Deadline:	April 15, 2015
Early Bird Registration Deadline:	May 31, 2015
Notification about abstract acceptance:	January 31, 2015

If your colleagues are interested in submitting a paper, please forward them this information.

Apologies if you receive this message more than once.

Let me once again cordially invite you to attend this outstanding event in high voltage engineering. I am looking forward to welcoming you at the ISH 2015.

Sincerely yours

Prof. Dr. Rainer Haller

Chairman of the Organizing Committee ISH 2015
