

## З М І С Т

*Горизонти науки***Ágnes Varga, Dávid Karácsonyi, László Jeney**

The dimensions of peripherization from the viewpoint of the development policy through the example of a Hungarian periphery, the Encs district ..... 5

**Pavel Bednář, Lukáš Danko**

Mapping spatio-temporal patterns of creative industries development in the Czech Republic ... 19

**László Varga**

A grassroots development in the light of the development theories, a case study in rural India: food for life Vrindavan ..... 28

**Kostyantyn Niemets, Kateryna Sehida, Lyudmyla Niemets, Ievgeniia Telebienieva, Kateryna Kravchenko**

Modeling of development trajectories in the multidimensional space: socio-geographic interpretation ..... 41

*Наукові повідомлення***Mijing Gwra Basumatary, Subhash Anand**

Sustainable urban infrastructural development for smart city in Guwahati, India ..... 54

**Nodar Elizbarashvili, Nino Sulkhanishvili, Rusudan Elizbarashvili**

Main concepts of sustainable development and mountainous regions (on the example of the Caucasus) ..... 66

**Muthana Mohammad Omoush**

Impact knowledge management on innovation. Field study on tourist agencies in Irbid city, Jordan ..... 75

**Людмила Немець, Наталія Гусєва, Марина Логвинова, Юрій Кандиба, Людмила Ключко**

Вимушені внутрішні міграції в Харківській області: структурно-динамічні та регіональні особливості ..... 81

*Постаті***Олег Шаблій, Мирослава Влах**

Географічне світобачення проф. О.Т. Ващенка: проекція на сучасність ..... 98

**Правила оформлення та подання статей** ..... 106

## CONTENTS

### *Science Skylines*

**Ágnes Varga, Dávid Karácsonyi, László Jeney**

The dimensions of peripherization from the viewpoint of the development policy through the example of a Hungarian periphery, the Encs district ..... 5

**Pavel Bednář, Lukáš Danko**

Mapping spatio-temporal patterns of creative industries development in the Czech Republic ... 19

**László Varga**

A grassroots development in the light of the development theories, a case study in rural India: food for life Vrindavan ..... 28
