ПРЕДМЕТ ЗЛОЧИННОГО ПОСЯГАННЯ В СИСТЕМІ КРИМІНАЛІСТИЧНОЇ ХАРАКТЕРИСТИКИ ВИМАГАННЯ

.. ,

This paper investigates the theoretical and terminological issues subject encroachment, as part of criminological characteristics of extortion in connection with the use of violence against the victim. Determined that the subject attempts to restrict the offense to material things, does not meet the needs of modern jurisprudence. We consider the range and nature of objects that can be subject to attack by examining the category of crimes.
