

“ODES’KIJ MEDIČNIJ ŽURNAL” (“The Odessa Medical Journal”)

Information about Edition

“Odes’kij medičnij žurnal” (“The Odessa Medical Journal”) was founded in 1926. During a few years it was highly appreciated by scientists. The works of the famous scientists had been published there. But then, at the start of 30-s, the publication of the Journal was stopped. It was renewed only in 1997, and very soon the Journal won its authority again and took a proper place among other scientific editions of the country.

The founder and the publisher of the Journal is the Odessa National Medical University.

The editor-in-chief of the Journal since the time of its renewal is the academician of the NAMS of Ukraine, the Ukraine State Prize Winner V. M. Zaporozhan. The members of the editorial board and editorial council are the world-known scientists.

By decisions of Ministry of Health of Ukraine N515 from the 16th of May, 2016 “The Odessa Medical Journal” was included in the list of editions, which publish the basic results of dissertation works on medicine and biology. This fact determines the subject of its publications. About two hundred papers and reports are published in the Journal annually.

The Journal appears bimonthly. It comes to the most known libraries of the country, large scientific centers, some educational establishments. Its release is highly appraised outside of the country: the Journal is represented in Ulrich’s Periodicals Directory.

The Journal is distributed by subscription.
