Modern trends & results in diagnostics and treatment of gastric cancer at early stages	5
.....	8
S.G. Bezrukov, O.V. Gerasimenko	
The experimental and morphological substantiation of the method of the injection sub-periosteal introduction of osteoplastic materials for the augmentation of an alveolar shoot	8
C. . , . . , . .	
.....	14
S.G. Bezrukov, V.R. Moroz, V.V. Moroz	
Clinical and radiological assessment of effectiveness of the method of intraoperative prevention of alveolar atrophy following tooth extraction while using bioresorbable membranes	14
.....	18
V.A. Biloglazov, A.V. Klimchuk	
Effect of artichoke leaf extract and lactulose on endotoxin immunity and systemic inflammation in patients with chronic kidney disease on hemodialysis	18
.....	25
V. E. Gladchuk	
Features «proinflammatory» cytokine regulation in athlete's foot	25
.....	29
A.I. Gozhenko, S.G. Kotyuzhinskaya, V.L. Vasyuk	
The lipoproteinlipase activity in patients with hypoheparinemia states	29
.....	33
M.B. Gorobeyko	
The use of urokinase for treatment of non-critical ischemia in cases of diabetic foot syndrome	33
.....	38
G.L. Gumenyuk	
Structure of patients with pulmonary sarcoidosis and results of treatment based on retrospective study data	38
.....	43
K.L. Dikiy, L.L. Aliev, S.I. Tertishniy, A.V. Kubyshkin	
Morphological features of the initial stages of atherosclerotic process according to the results of the lightoptical and ultrastructural researches	43

.....	47
L.H. Duryagina, V.P Sedykh, O.V. Dorofeeva	
Influence of depressions on the condition of tissues of parodontium and mucous membrane of an oral cavity	47
.....	
.....	51
I.F. Dushkin	
Analysis of functional exercise capacity in patients with chronic heart failure according to clinical effectiveness of rehabilitation at sanatoriums	51
.....	
.....	54
L.K. Znameska	
State of microbiocenosis of intestine at patients with chronic recurrent urticaria	54
.....	
.....	57
F.N. Ilchenko, M.M. Serbul, N.N. Derkach, G.S. Grivenko, V.A. Goncharuk, N.N. Ljashenko	
Features of surgical approach when laparoscopic and video-assisted hernioplasty of postoperative ventral hernias	57
.....	
.....	62
N.N. Ioshina	
Epidemiological features of posttraumatic cystic formations of the brain	62
.....	
.....	66
The use of ogoplex for the treatment of erectile dysfunction on the background of benign prostatic hyperplasia	66
P.M. Klimenko, E.V. Sobolev , V.A. Chabanov, S.E. Shimkus, N.P. Klimenko	
The use of ogoplex for the treatment of erectile dysfunction on the background of benign prostatic hyperplasia	66
.....	
.....	73
V.N. Kulygina, Mohammed Al- ohammed	
Results of clinical examination in young patients with chronic localized diseases of periodontium	73
.....	
12-	77
V.I. Kushchenkov	
The results of the cytological research of healing process in patients with stomach and duodenal ulcer under the conditions of using therapeutic and prophylactic dressings	77

.....	81
N.V. Larina Features of cerebral hemodinamics in ischemic stroke patients with different polymorphisms of , ENOS, MTHFR genes	81
.....	
PWC170 (150,130)	86
I.G. Lebid Definition age dependent physical working capacity using test PWC170 (150,130) In adolescents and adults with congenital heart diseases	86
.....	91
Mahanta Abhijit Use of abdominal wall ultrasound data to substantiate diagnostic and treatment algorithms of patients with inguinal hernia	91
.....	94
V.D. Orlova, . . Khrenov, V. . Fedosyeyeva, S.P. Kushnir, I.B. Kutsevol, L.I. Slobozhan The peculiarities of development of systemic and regional (endobronchial) misbalance of cytokine homeostasis in patients with chronic heart failure, chronic lung failure, and long-term tobacco smoking	94
.....	98
N.Yu. Pylaieva Prophylactic hydration with multicomponent polyionic, hyperosmolar-colloidal solution in regional anesthesia	98
