Instructions to authors. All contributions should contain the article title, (co)author(s) name(s), and complete affiliation(s) (name of institution, city, and state) as well as an e-mail address(es) for all authors. Please, also indicate a proposed running head of less than 40 symbols, the AMS (2000) Subject Classifications, keywords and the name of the author to whom all the correspondences should be sent. The date of reception of a paper is one of its arriving to the above mentioned address. Abstracts should not be more than 300 words long.

To assure a prompt dissemination, the production of *Theory of Stochastic Processes* is mainly based on files provided by authors. Files should be typeset by using L^AT_EX. Please send your contribution as a single T_EX file. More detailed instructions can be found at our web-site.

History. The journal *Theory of Stochastic Processes* was founded originally by I. I. Gikhman in 1973. Since 1995 it is published in English by the Institute of Mathematics (Kyiv), the Institute of Applied Mathematics and Mechanics (Donetsk), and the Scientific Publishers «ТБІМС».
