Theory of Stochastic Processes is a semi-annual journal publishing original articles and surveys on general methods and techniques of the theory of stochastic processes and its applications. All papers submitted for publications are peer-reviewed and, after publication, are included to a number of publication databases including MathSciNet, Scopus and Zentralblatt.

Frequency. One volume per year consisting of two issues of about 100-150 pages each.

Price. The price of one volume (consisting of two issues) is 150 euro.

E-mail. tsp@imath.kiev.ua

Web site. http://tsp.imath.kiev.ua

Instructions to authors. All contributions should contain the article title, (co)author(s) name(s), and complete affiliation(s) (name of institution, city, and state) as well as an e-mail address(es) for all authors. Please indicate a proposed running head of less than 40 symbols, the AMS (2000) Subject Classifications, keywords and the name of the author to whom all the correspondences should be sent. The production of *Theory of Stochastic Processes* is mainly based on files provided by authors. Files should be typeset in LaTeX. More detailed instructions can be found at our web-site.

History. The journal *Theory of Stochastic Processes* was founded originally by I. I. Gikhman in 1973. Between 1995 and 2015 it was published in English by the Institute of Mathematics (Kyiv), the Institute of Applied Mathematics and Mechanics (Donetsk), and the Scientific Publishers «TBiMC». Since 2016 it has been published exclusively by the Institute of Mathematics of National Academy of Sciences of Ukraine.
