Ukrainian Food Journal publishes original research articles, short communications, scientific news in the related fields and also literature reviews.

Topics coverage:

Food engineering	Food nanotechnologies
Food chemistry	Food processing
Food microbiology	Economics and management in food industry
Physical property of food	Automation of food processes
Food quality and safety	Food packaging

Periodicity of the journal – 4 issues per year.

Reviewing a Manuscript for Publication. All scientific articles submitted for publication in “Ukrainian Food Journal” are double-blind peer-reviewed by at least two academics appointed by the Editors' Board: one from the Editorial Board and one, not affiliated to the Board and/or the Publisher.

Copyright. Authors submitting articles for publication are expected to provide an electronic statement confirming that their work is not an infringement of any existing copyright and will not indemnify the publisher against any breach of legislation and/or international standards in academic publishing. For the ease of dissemination all papers and other contributions become the legal copyright of the publisher unless agreed otherwise.

Academic ethics policy. The Editorial Board of "Ukrainian Food Journal" strictly follows all internationally acknowledged rules and regulations on academic publishing and academic ethics. For more details on this see: Miguel Roig (2003, 2006) "Avoiding plagiarism, self-plagiarism, and other questionable writing practices. A guide to ethical writing". The Editorial Board suggests all potential contributors of the journal, reviewers and readers to dully follow this guidance in order to avoid misconceptions.
