

CONTENTS

AEROSPACE SYSTEMS FOR MONITORING AND CONTROL

<i>Volodymyr Kharchenko, Yuriy Barabanov, Andrii Grekhov, Mykola Bogunenko, Julia Rudnyk</i> Error-control coding of ADS-B messages for Iridium satellites	7
<i>Volodymyr Kharchenko, Yuriy Chynchenko</i> Principles of improvement of air traffic flow and capacity management in terminal control areas under uncertainty conditions	12
<i>Vadym Pavlov, Oleksandr Volkov, Dmytro Voloshenyuk</i> Computer simulation of modern aircrafts by using network technologies of remote control	18
<i>Anatoliy Tunik, Olga Sushchenko</i> Usage of vector parametric optimization for robust stabilization of ground vehicles information-measuring devices	23

MODERN AVIATION AND SPACE TECHNOLOGY

<i>Hanna Bordyuh, Arkadiy Polishchuk</i> Holographic grating recording in “lyotropic liquid crystal – viologen” system	33
<i>Vasyl Buivol</i> Nonlinear perturbation method for calculating axisymmetric cavitational flows	37
<i>Agayev Nadir Bafadin oqlu, Agamaliyeva Jeyran Aqamali qizi</i> Information technology security aircraft flight in difficult conditions based multifactorial fuzzy models	42
<i>Aleksandra Gridyakina, Arkadiy Polishchuk</i> Optical properties of mesophases and mesomorphic glasses of Co ²⁺ alkanoates homologous series	48
<i>Mikhail Lopatjuk</i> Spline-functions in the task of the flow airfoil profile	53
<i>Andriy Goncharenko</i> Aircraft maximal distance horizontal flights in the conceptual framework of subjective analysis	56
<i>Ivan Linnik, Mikhail Oleg, Ekaterina Bogayskaya</i> The basic principles of forecasting of aviation systems optimal development	63

AIRPORTS AND THEIR INFRASTRUCTURE

<i>Tamara Oleshko</i> Formation of the information portrait of the airport	69
<i>Oksana Zaporozhchenko, Vera Dugina</i> Trends of shaping architecture of ecological treatment and rehabilitation complexes	72

INFORMATION TECHNOLOGY

<i>Sergiy Filonenko, Oleksandr Kosmach, Tetyana Kositskaya</i> Acoustic emission at change of contact interaction area of friction unit of composite material	78
<i>Volodymyr Gorbunov</i> Objectification of ergonomic assessment of the pilot operation on the basis of “Photoshop – technology”	87
<i>Lala Rustam Bekirova</i> Principle of validation of multilevel RGB colorimetric systems of remote sensing	91

ENVIRONMENT PROTECTION

<i>Natalia Kichata, Vasyl Zaplatynskyi</i> Environmental assessment of suburban areas of Kyiv	95
<i>Tatiana Kozlova, Yana Burdilna, Maria Pismenna</i> Correspondence between cadastral-register system of Ukraine and standards of similar EU systems	100
<i>Tatyana Dmitrucha</i> Accumulative safety period of premises in the case of their pollution with toxic mercury vapors	107
<i>Svitlana Madzhd</i> Bioassay techniques of soil ecological status assessment near the airports	111
<i>Tetiana Myhalevska, M. Kravets</i> Technogenic pollution and improvement of ecological condition of Goloseevsky ponds	116

CHEMMOTOLOGY AND CHEMICAL TECHNOLOGY

<i>Iuriy Bodachivskyi, Iuriy Bilokopytov, Grigoriy Pop</i> Synthesis and properties of ethanalamides acids of higlyerucic rapeseed oil	122
<i>Anatoliy Ranskiy, Olga Gordienko, Taras Titov, Stanislav Tkachenko, Aleksandr Pivovarov</i> Economic efficiency and anthropogenic risks of regeneration of industrial oils	128
<i>Iryna Fryder, Oleg Grynyshyn, Yuriy Khlbyshyn</i> Usage of pyrolysis heavy resin for the petroleum bitumen production	135
<i>Nadejda Bondar, Anatoliy Denysyuk, Yuriy Simonov, Olena Tertyshna, Lyubov Snizhko</i> Asphalt-resin-wax deposits analysis with petroleum refinery equipment usage	139
<i>Olga Titova, Vyacheslav Trachevskyi, Zoya Grushak, Natalia Stolyarova</i> Kinetics of a silicate composition gelation in presence of reaction rate regulating compounds	144

ECONOMIC DEVELOPMENT STRATEGY

<i>Marcin Paweska, Dmytro Bugayko, Mariia Grigorak, Robert Mendrun</i> Transport law and the certification process in Poland and European Union	151
--	-----

PROFESSIONAL EDUCATION

<i>Olena Petrashchuk</i> Aviation English test development	155
<i>Konstantin Yakovishin</i> VIP-personnel for telecommunications	161
<i>Zinoviy Onyshkiv</i> Training of future teachers to the work in primary school in rural area	165
