Kyiv, 03680, Ukraine

APPLICATION

Re: Editorial Board of Scientific Journal

“Proceedings of National Aviation University”

Dear Editorial Board,

This is to confirm that the manuscript submitted by author (s) /family name, first name, second name/
– has never been published previously except of publishing its resume, part of the manuscript, review or thesis /underline what is needed/;

- is not under consideration by any other journal;
- has been authorized for publication by all co-authors;
- has been authorized for publication by the entity where the research results were obtained;
- does not contain any confidential information which is in possession of the third persons.

COPYRIGHT TRANSFER

This is to confirm that the author (s) _____ assign (s) the copyright to the scientific journal “Proceedings of National Aviation University” belonging to the National Aviation University licensed by the Ministry of Education and Science of Ukraine.

The copyright is assigned once the article is accepted for publication. The copyright is transferred for the article and its abstracts published in the journal electronically and on paper.

The author guarantees that the article is original, and the author has been authorized by all co-authors to sign on their behalf.

The copyright transfer covers exclusive rights to publish and disseminate the article, including the article reprints, translations, photo copying, microforms, electronic forms (on- and offline) as well as any other forms of reproduction.

The copyright transfer cannot be changed after the author’s (s’) signature (s).

Name of the article: _____

Author (s): _____

Attention to scientific organizations, universities,
academies, entities, authors and readers!
