Журнал публікує результати наукових досліджень, зосереджується на стійкому соціальному розвитку, економічні аспекти захисту природи, а також раціональне природокористування. Редакційна колегія надає перевагу у публікації оригінальних та сучасних рукописів, які досліджують економічну сутність багатьох важливих глобальних проблем планети Земля, наприклад, глобальне потепління, виснаження природних ресурсів, екологічні катастрофи і т.д. Переваги надаватимуться статтям, зосереджених на організації системи раціонального природокористування окремих компаній чи регіонів. Ключовою цільовою аудиторією журналу є дослідники, науковці, викладачі, студенти і практикуючі спеціалісти. Журнал публікується щоквартально в Україні.
