## REVIEWS

- Bukhtiarova T. A.* Innovative drugs, approval FDA in 2011–2014 (analytical overview)..... 3
- Mokhort N. A., Herashchenko I. V., Prytula T. P.* Pharmacological effects of tocolytic drugs in preterm parturition ..... 17

## CONTEMPORARY ASPECTS OF NEUROPHARMACOLOGY

- Gromov L. O., Chernoshtan K. O., Movchan O. D., Tarnavska L S., Yarosh O. K.* The dominant participation of the cerebral hemispheres in the antidepressant effect of fluoxetine and pirlindole..... 27
- Myronenko S. I., Pinyazhko O. R., Lesyk R. B.* Screening of compounds with anticonvulsant activity among 4-thiazolidinone derivatives..... 33

## WORKING OUT OF THE NEW METHODOLOGICAL WAYS

- Dryn D., Melnyk M., Kizub I., Zholos A., Soloviev A.* Functional expression and role of TRPV4-channels in the regulation of the rat pulmonary artery vascular tone ..... 39
- Ivanov L. V., Kartel M. T., Lyapunov A. N., Nardid O. A., Cherkashina Ya. O., Derimedvid L. V., Kirilyuk I. A.* Study of cytotoxic mechanisms of a number of hydrophilic poloxamers by spin probe ..... 46
- Klevanova V. S., Trzhetsynskyy S. D.* Antidiabetic properties of blood burnet in rats under high-fat diet ..... 59
- Meshkova N., Mischenko O., Zakharenko V., Sharykina N.* Cytostatic activity of quinazoline-derived  $\alpha_1$ -adrenoceptor antagonists..... 65
- Seredinska N. M., Yadlovskyy O. E., Bershova T. A., Omelyanenko Z. P., Khomenko V. S., Kirichok L. M.* The evaluation of rat's integral indices after combined use of NSAIDs and calcium antagonist at the rheumatoid arthritis model in conjunction with arterial hypertension ..... 69
- Simonov P. V.* Acute toxicity testing of the copper nanoparticles under oral administration to mice ..... 79
- Tovchiga O. V., Gorbach T. V., Shtrygol' S. Yu., Stepanova S. I.* The influence of goutweed (*Aegopodium podagraria* L.) preparations on the lipid metabolism in rats after a single dose of ethanol ..... 87
- Shevchuk O. O.* The influence of carbonic enterosorbent and granulocyte colony stimulating factor on prooxidant-antioxidant homeostasis impaired by alkylating cytostatic melphalan ..... 97
- Yurchenko A. I., Stepaniuk G. I., Kovalenko S. I., Shabelnik K. P., Alchuk O. I.* Comparative evaluation of the impact of 4- [4-oxo (4H) -quinazoline-3-yl] benzoic acid (substance PC-66) and diclofenac sodium in the course of adjuvant arthritis in rats..... 103
