Olga Krivulya, Iena Kokovikhina. Methodological searches in the pedagogical personnel training in the twenties of the 20th century

In this article the process of the introduction and using of the new learning forms and methods in the educational process of the higher educational pedagogical establishments of Ukraine is viewed. With the Bolshevik's power strengthening on the Ukrainian territory a heightened need of the making the new conception of education and its reformation, particularly the higher education (especially to the aspect of the future educationalists training), was felt. The power structures paid the particular attention to the methodological side of this issue. So the 1920's became the stage of the rapid changes and reforms in the introduction and using of the various learning forms and methods, using the world's pedagogical experience and its transferring into the educational process of our country which was partly unprepared for it.

Keywords: *pedagogical education, learning methods, learning process.*
