Podrez U.V., candidate of historical sciences, senior lecturer at the History of Ukraine chair at Sumy state pedagogical University named after A.S. Makarenko (Ukraine, Sumy), iuliya.nikolenko@yandex.ru

The participation of Ukrainian ethnic populations in the development of artisanal fisheries blacksmith in East Slobozhanshchina (second half of XIX – beginning of XX century)

Artisanal blacksmith crafts' development and Ukrainian ethnic population of the Russian Empire involvement in their growth in the late 19th – early 20th century are considered in the article. The main attention is paid to the analysis of the historical development of centers of Ukrainian home industry in Kursk and Voronezh provinces, the characteristics of artisanal metalworking industry, their role and place in the traditional culture of ethnic Ukrainians who lived in North Slobozhanshchyna. Much attention is paid to the characteristics of quantitative and qualitative
