

## TABLE OF CONTENTS

### THEORETICAL MEDICINE

<i>Kordium V. A.</i> The cell and the organism: current state of the biological constituent of the concept of "molecular biology" (attempt of integral analysis) .....	263
<i>Kaidashev I. P.</i> Calcifying nanoparticles: current state of the problem (review of literature) .....	277
<i>Chekman I. S., Gorchakova N. A., Rudenko A. V., Kurik M. V., Orlov A. A., Zagorodny M. I., Osinnia L. M.</i> Clinico-pharmacological properties of polyunsaturated fatty acids (review of literature and own data) .....	286
<i>Seredinskaia N. N., Pavliuk A. V.</i> Cardiotropic effect of COX-1 and COX-2 inhibitors at their complex use with dihydropyridine Ca antagonist on rheumatoid arthritis model (review of literature and own data) .....	297

### CLINICAL MEDICINE

<i>Vatutin M. T., Kalinkina N. V., Savchenko E. A., Shevelyok A. N., Degtarirova A. E.</i> Magnetic resonance imaging in the diagnosis of coronary heart disease (review of literature) .....	307
<i>Feschenko Yu. I., Liskina I. V., Rekalova E. M.</i> Morphological peculiarities of lung damage in chronic fibro-cavernous multidrug-resistant tuberculosis: current ideas about immunomorphogenesis of this disease .....	320
<i>Gryn V. K., Oksymets V. M., Klymovytsky V. G., Popandopulo A. G., Zubov D. A., Grebeniuk A. M., Oksymets V. V.</i> Clinical perspectives of cell technologies for treating disorders of reparative osteogenesis .....	331
<i>Gulevatiy S. V., Voskoboynyk L. G., Tronko N. D.</i> Application of radio-iodine therapy in differentiated thyroid cancer: international standards and debatable questions (review of literature) .....	339

### PREVENTIVE MEDICINE

<i>Tronko N. D., Mabuchi K., Kravchenko V. I., Hatch V., Likhtarev I. A., McConnell R., Kovgan L. N., Brenner A., Zvinchuk A. V., Zablotska L. V., Luzanchuk I. A.</i> Iodine status and thyroid exposure doses in victims of Chernobyl nuclear accident who are permanent residents of northern regions of Ukraine (Ukrainian-American cohort study) .....	355
---	-----

### SHORT COMMUNICATIONS

<i>Rybachuk O. A., Kyryk V. M., Tsypykov O. M., Butenko G. M., Skibo G. G., Pivneva T. A.</i> Differentiation of neuronal stem cells transplanted on organo-typical culture of hippocampus following acid-glucose deprivation <i>in vitro</i> .....	365
<i>Ivanova I. V., Klimenko K. I., Kizub I. V., Prudnikov I. M., Tsyvkin V. N., Soloviev A. I.</i> Human mesenchymal stem cells as a potential therapeutic approach to vessel function recovery in genetically determined arterial hypertension and diabetes mellitus .....	371
<i>Zabolotnyi D. I., Lukach E. V., Serezhko Yu. A., Klochkov E. I., Dykhtiaruk V. Ya., Strezhak V. V., Tsymbaliuk E. N., Grin N. V.</i> The chemo-radiation treatment of patients with cancer of the upper respiratory tract stage III-IV .....	379
<i>Tsymbaliuk V. I., Luzan B. N., Kucheruk O. Ye., Tatarchuk M. M., Sulyi L. N.</i> Errors and limitations in rendering care to patients with injuries of the radial nerve .....	385

### OFFICIAL SECTION

XIV National Cardiology Congress of Ukraine (Kyiv, September 18-20 2013) .....	390
--	-----

### Jubilees

Academician NAN and NAMS Ukraine S. V. Komissarenko is 70 .....	391
Associate Member of the NAMS Ukraine V. N. Yelsky is 80 .....	393

### Obituary

Igor Vasilyevich Komissarenko .....	395
