

Problems and Perspectives in Management

issued quarterly

2004 **3**

“Problems and Perspectives in Management” is published quarterly by Sumy State University (Ukraine) and Publishing Company "Business Perspectives". It addresses the national as well as international issues of the day, particularly those concerning the most burning aspects of economy organization, performance and governance.

We appreciate hearing from subscribers about this publication. Please direct your comments to Prof. S. Kozmenko by e-mail at head@businessperspectives.org or in writing at the address below.
