**BUSINESS PERSPECTIVES**

# PROBLEMS AND PERSPECTIVES IN MANAGEMENT

INTERNATIONAL RESEARCH JOURNAL

The journal covers all the aspects of management, such as international organizations and communities' management, state and regional governance, and company's management. It also analyzes the key aspects of planning, organization, motivation and control in various areas and in different countries. The journal publishes articles, which are focused on existing and new methods, techniques and approaches in the field of management. It publishes conceptually new, contemporary and innovative researches, including theoretical and empirical research papers. The target audience of the journal includes researchers, scholars, lecturers, students, and practitioners. It is published quarterly in Ukraine.
