ПОВІДОМЛЕННЯ

Інформаційне повідомлення щодо проведення Першої IEEE конференції «Electrical and Computer Engineering» (UKRCON'2017)

Шановні колеги, 29 травня - 2 червня 2017 року відбудеться Перша IEEE конференція «Electrical and Computer Engineering» (UKRCON'2017), Київ, Україна.

Тематика напрямів (офіційною мовою конференції):

Track 1: Microwave Techniques, Antennas & Radar Systems
A. Microwave Theory and Techniques
B. Antennas & Propagation
C. Space, Aerospace and Airborne Technologies
D. Radar Systems, Geoscience and Remote Sensing

Track 2: Bioengineering & Robotics
A. Biomedical Engineering, Circuits and Systems
B. Medical Image & Signal Processing
C. Robotics, Control & Intelligent Systems

Track 3: Energy Systems, Industry Application & Industry 4.0
A. Power & Energy Circuits and Systems
B. Smart Grid & Energy Markets
C. Industry 4.0, Automation, Industrial Electronics & Industry Application
D. Vehicular Electrotechnology Equipment and Systems

Track 4: Nanoelectronics & Photonics, Electron Devices & Embedded Systems
A. Micro- & Nanoelectronics and Technologies
B. Electron Devices & Integrated Circuits
C. Optics and Photonics
D. MEMS, SoC, NoC and Embedded Systems
E. CAD and EDA Tools, Methods and Algorithms

Track 5: Systems Analysis, Computer Science & Infocommunications
A. Communications and Networks
B. Systems Analysis & Engineering, Risk Management & Decision Making Systems
C. Internet of Things, Data Science, Machine Learning & Artificial Intelligence
D. Computer Science and Software Techniques

Track 6: Engineering Education & History
A. Educational Research, Methods, Materials, Programs and Technology
B. MOOCs and Blended Learning
C. Historical Milestones of Electrical and Computer Engineering

Important dates

Paper Submission: **January 30, 2017**
Special Track Submission: **January 30, 2017**
Tutorials Request: **January 30, 2017**
Paper Acceptance Notification: **March 13, 2017**
