**Golinska Olesya**

**PROGRAM PERFORMANCE BUDGETING:  
THE BASIS OF PROCESS DEVELOPMENT REGIONS  
RESOURCES PROVIDING**

The article represents the scientific look of author to the modern aspects of application of Program Performance Budgeting. He is the base of the resource providing of regional development. An idea is well-proven that in today's terms the state of the resource providing of regional development straight depends on quality of fiscal policy of the state and regions. It is a question the formulation of corresponding

groups of the applied range of problems considered in foreshortening. Lighted up positions of overcoming. Paid attention possibility of application of concrete procedures. They passed successful approbation in the developed foreign countries. Going is carried out near understanding of alternatives of application of Formula of Control Indexes between the levels of Budgets.

**Keywords:** budget, Program Performance Budgeting, Management, resources, Region, Budget policy, Economic and Social development, Strategic planning, Medium-term planning.
